MENTAL HEALTH SERVICES

Services to be tendered for mental health services will include short term accommodation based and floating support services.

ACCOMMODATION BASED SERVICES

Accommodation based services will be tendered following a review of current accommodation based services.

Supporting People tendering will be carried out in accordance with Derbyshire County Council and EU procurement regulations and advertisements will be placed on the Source Derbyshire website in due course.

Providers are expected to check for details on an ongoing basis. The website address is: www.sourcederbyshire.co.uk

All future tenders will be carried out via an electronic process. Providers should register their details on the In-tend website, i.e. the Derbyshire Partnership Portal, by logging onto Source Derbyshire and following the link via the “current contracts” section of the website.

An In-tend user guide is available under the “useful documents” section.

If you require any help and support when using In-tend please send an e mail to: procurement@derbyshire.gov.uk
