

COP27 is fast approaching

Chesterfield Climate Alliance was originally formed in 2015 because of COP 21 which resulted in the Paris Climate agreement.

Last year we were very active because COP 26 was hosted by the UK in Glasgow. This year we have lost momentum and now COP 27, hosted by Egypt, is almost upon us.

If you want to make a stand for climate justice there are lots of ways you can get involved. Mobilisations in the form of rallies on 12 November are listed here. <https://climatejustice.uk/cop27/>

Sheffield is holding a rally if you don't want to go to London.

You can endorse the African People's Declaration here: <https://bit.ly/APCC22En>

Once again, let me know if you want to be removed from this email list or if you want to revive Chesterfield Climate Alliance.

Best wishes,
Steph.
