

## **Council climate consultations**

Thanks to all those who responded to Chesterfield Borough Council's consultation on their climate plan. You can see [Transition Chesterfield's response](#) here.

If not done so already there is still time to respond to Derbyshire County Council's consultation on energy efficient homes, details below.

### **Making homes fit for the future**

Private homeowners across Derbyshire are being invited to take part in a public consultation to show what support they need to make their homes more energy efficient. Together with the county's 8 district and borough councils, Derbyshire County Council have launched the consultation to find out what local homeowners think would help them to make home improvements needed to reduce their energy use.
