 **Compassionate
care for everyone**

Registered Charity No. 700636

We rely on the generosity of our community to raise millions of pounds each year to help fund our specialist care, even our volunteers and staff take part!

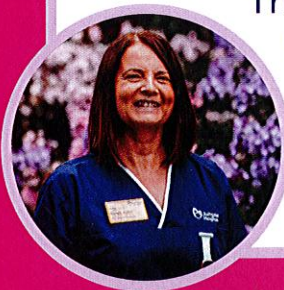

“As an Ashgate Hospice nurse, it is a privilege to be able to care for families at such a difficult time and help them create precious and lasting memories together. As a charity this is only possible because of people like you. At Ashgate we are all fundraisers, every penny raised helps us be there for our community.

Karen and her colleagues from the hospice

That's why it's so important we join you this year for Chesterfield's biggest and sparkliest event.”

Karen Walker
Ward Manager
