

Community Focus Group - Clay Cross and Danesmoor

Message from Hayley Bramley - NEDDC

Please see information below regarding a Community Focus Group that is being held in Clay Cross by the North East Derbyshire Active Neighbourhood Pilot. We want to gain an insight and ideas from people in the community on walking and getting out and about in their local area and help co-design a programme that makes Clay Cross a healthier and better place to live, work and visit.

It is a very informal session, but lunch is provided free of charge and we have a few spaces left and it would be great to get views and an insight from the community.

If you could share as you feel appropriate as I appreciate this is a small demographic.

I will also be sharing this information on Facebook via my page Clay Cross Healthy Futures, if you could please follow/like the page and share from there too that would be great.

The Focus Group will take place on Monday 15th April 2024, 11am until 1pm at Rumbles Café, The Bret Club, Clay Cross, S45 9NW.

All reservations need to be made to rsvp@firststart.org.uk to confirm a space.
