

## Derbyshire Independent Advocacy Service

From 1 April 2024, there is a new provider of independent advocacy support services for Derbyshire residents. Cloverleaf Advocacy will be taking over from Derbyshire Mind as the new provider for Independent Advocacy in Derbyshire. Please make referrals to Cloverleaf Advocacy by visiting <https://cloverleaf-advocacy.co.uk/areas/derbyshire>, calling 01924 454875 or emailing [referrals@cloverleaf-advocacy.co.uk](mailto:referrals@cloverleaf-advocacy.co.uk)

Cloverleaf has more than 28 years' experience in delivering independent advocacy across the country and will provide the following services to Derbyshire residents:

- Independent Mental Health Advocacy
- Independent Mental Capacity Advocacy
- Independent Health Complaints Advocacy
- Independent Care Act Advocacy
- Non-statutory Advocacy

Both Derbyshire Mind and Cloverleaf Advocacy have been working together to ensure the change goes smoothly and that all those using independent advocacy on 31 March 2024 will be transferred to the new service provided by Cloverleaf Advocacy.

Most of the advocates currently working for Derbyshire Mind will move to work for Cloverleaf Advocacy, so where possible, people drawing on independent advocacy will have continuity from the same advocate.

If you have any questions about the change of service provider, please email Jude Boyle at [ASCH.ac-commissioning@derbyshire.gov.uk](mailto:ASCH.ac-commissioning@derbyshire.gov.uk) or call on 01629 532483 Monday- Friday, between 9-5.
