FREE DIGITAL AND NUMERACY SKILLS COURSE

MULTIPLY YOUR DIGITAL SKILLS

Come along and try our **FREE** Multiply your Digital Skills course.

Gain confidence when using computers, mobiles, and technology, **PLUS** improve your numeracy skills.

Meet like-minded people in a friendly and relaxed environment.

Available in numerous locations across Derbyshire, including in many local libraries. Contact us to find your local venue.

In addition to this, we also offer free bespoke training in locations which are convenient for groups, including workplaces, community venues or online.
