

Protecting your district from fly tipping

**Over 500 fly tipping incidents
in the last year**

**Fly tipping can cost upward of
£1000 to clear**

**Over 300 self-service reports
in the last year**

Our district falls victim to hundreds of cases of fly tipping each year!

The council asks residents to learn about the impact fly tipping has, requiring significant time and resources to clear - with some cases having a cost upward of £1000.

If you see it, report it!

Over 300 reports of fly tipping came to the council via our self-service portal in the last year.

The more that residents report fly tips to us, the quicker we can investigate and clear waste.

If you come across abandoned waste, please take a few minutes to report it.
