Derbyshire County Council and Derby City Council would really like your support in helping them to create an oral health campaign for Derby and Derbyshire teenagers.

In order to ensure the campaign resonates with its target audience, Derbyshire County Council and Derby City Council need to know what young people already know, and think, about oral health.

So the first step is to encourage as many young people as possible to fill in a short survey – there's a chance to win £50 of shopping vouchers, or one of two runner up prizes of £25 of shopping vouchers.

The link to the survey is here <https://forms.office.com/e/UbihE2LJq5>

So far there have been over 1,000 responses which is great – but they'd love some more. The survey closes **on April 30 2024**.

Please note that all responses are completely confidential and will only be used for the purpose of helping us to shape the key messages of our campaign.
