WORK READY STEADY GO!

Recognise your potential and get into employment

The Work Ready Steady Go! course is a brand-new programme, designed by Workpays, in partnership with Chesterfield Borough Council, that helps people develop the skills ready for work. The course will be delivered in community settings, to help those who want it most.

Whether you would like a boost in confidence, a bit more knowledge, or help to improve any skills, we have activities to help everybody prepare for the world of work.

Start Date:

8

weeks (16 sessions in total), including ongoing support with a key worker for 6 months, you will gain confidence, acquire knowledge, and develop skills to get you feeling ready for the journey into work.

You will participate in:

Job investigations to find the right kind of work for you

Fun team-building tasks like scavenger hunts

Problem solving activities and games

Creating adverts about yourself to boost your confidence

Whether you have been out of work for a while, due to ill health or have taken a career break to care for children or family, we want to work with you to take those important next steps.
