

Derbyshire Safe Places

If you're aged 11 or over and feel lost, scared or need help when you're out and about, the Derbyshire Safe Places scheme can help.

Safe Places are public buildings in towns and communities across Derbyshire, such as libraries, shops, pharmacies and GP surgeries. They have stickers in their windows so you can see that they are part of the scheme and know you can go in and ask for help if you need to.

Find a safe place

You can also download the Safe Places app to your smartphone, free to download from the App Store or Google Play. This can direct you to your nearest open Safe Place and can work by voice activation.

The Safe Place scheme have coproduced a video to promote an understanding of how it works and encourage businesses to register as Safe Places, or people to sign up for keep safe cards. The video can be found here: [Safe Places Derbyshire \(youtube.com\)](https://www.youtube.com/watch?v=...)

If your organisation or business is interested in becoming a Safe Place please contact safe.places@derbyshire.gov.uk or tel: 01629 532469.
