Join us for our Joining up for Hospital Discharge event (incorporating our AGM) this September – a great opportunity to come together and learn more about hospital discharge in our community.

Hospital discharge can be a challenging time for patients and their families. Our event will focus on the hospital discharge pathways in Derbyshire that link in with Joined Up Care Derbyshire's (JUCD) Improvement Strategy.

## At the event we will be:

- Learning more about the different hospital discharge pathways in Derbyshire
- Looking at the JUCD Discharge Improvement Team's work, and achievements so far
- Working together to identify strengths, weaknesses, and opportunities for change in the current hospital discharge pathways.

A more detailed agenda will follow before the event. Join us to share your thoughts and help improve hospital discharge pathways in Derbyshire!
