**Subject:** Celebrate Community Transport Week with us! 🚐🚗🚲

I hope this finds you well! **Community Transport Week 2024 (CTWeek24)** is happening next week (14-18 October), and we'd love your help to spread the word and make it a success.

This year's theme is '**Celebrating Community Solutions**', highlighting the vital role **Community Transport** plays in ensuring that everyone, everywhere, has access to local transport that meets their needs.

We've put together a range of campaign materials, and we'd really appreciate it if you could share them with your members and networks:

- **Social media** posts and graphics (for use before and during the week) are available [here](#).
- A **CTWeek brand kit** for creating your own materials to share is available [here](#).
- A '**How to get involved**' guide for Community Transport organisations, local groups, and campaigners can be found [here](#).

If you're organising any events or want to chat about other ways to get involved, please feel free to get in touch. We're here to make your participation as simple as possible!

Thank you so much for your support, and we look forward to celebrating **#CTWeek24** with you next week.

Jen O'Neill
