It is first come first serve, so make sure to secure your spot if you would like to attend. There is also a small bursary opportunity available to organisations that attend the workshops. If you would like to learn more about this and the workshops in general, please use the link below.

Please note: Derbyshire Mind would like to share this workshop across the VCSE sector in Derbyshire, so places are currently limited to a maximum of 4 per organisation (per workshop). If you have more than this, you will be added to a waiting list and contacted once more places becomes available.
