

**We are creating a new Local Plan to guide development in our district over the next 20 years and we want to hear from you.**

## **Be part of the Local Plan**

*Drop in and share your views!*

We are at the very start of the process and are inviting you to 'join the conversation' and let us know your thoughts on the places where you live, work and visit.

You can get involved by attending one of our drop-in sessions the will be running week commencing 5<sup>th</sup> May 2025 and/or completing an online survey which will be available between 2<sup>nd</sup> May and 9<sup>th</sup> May 2025. [For further details of where and when the drop in dates are and how to complete our online questionnaire, please visit our website.](#)

We will use feedback from these events and from the survey to inform the key Issues and Options for the Local Plan. We will then hold further consultation events on these Issues and Options in the Summer (June/July 2025).

Please sign up to Planning News to continue to receive updates on the Local Plan and to be informed of opportunities to get involved and have your say.
