

Sharley Park Play Area Consultation 2025

North East Derbyshire District Council is planning to create a new play area for infants and toddlers next to Clay Cross Active café area, and proposing to refurbish the existing Sharley Park play area with new equipment for junior, pre-teen and young teenagers.

Local residents and users are invited to comment with regards to the proposed refurbishment of the existing Sharley Park play area.

The consultation closes on Wednesday 7th May 2025.
