

Sent on behalf of Hannah Morton, Engagement Manager

Hi,

I would like to invite you to an upcoming information session as part of the **review of community urgent and same-day care** across Derby and Derbyshire.

Community Urgent and Same Day Care is designed to provide quick access to care for people with urgent, non-life-threatening health needs. By offering alternative, community-based options, it helps reduce pressure on emergency departments.

This session is an opportunity to hear more about the review, share your experiences, and help shape how urgent and same-day care services are delivered in the future.

Event Details

Online via Microsoft Teams

Thursday 22nd May 2025

9:30 AM – 11:00 AM

Register here:

<https://www.ticketsource.co.uk/nhsderbyandderbyshireicb/t-ojkqmvk>

If you would like to join, please register your attendance so we can share relevant information with you ahead of the session, including the **agenda** and the **case for change**, which outlines why change is needed and will serve as a starting point for our conversations.

This session is **open to all**, especially patients and members of the public, but healthcare professionals and community representatives are very welcome. Please feel free to share this invite with anyone who may be interested.

We look forward to seeing you there and hearing your views!

Hannah Morton
