

## **Ashgate Hospice Open day for Health Care Professionals**

### **You're invited to Ashgate Hospice's Open Day for Healthcare Professionals – Monday 16 June**

Ashgate Hospice We're inviting healthcare professionals across Derbyshire to join us for an Open Day at Ashgate Hospice on **Monday 16 June**, any time between **11am and 3pm**.

This is a chance to explore the hospice and learn more about the wide range of services we offer to support people with a life-limiting or incurable illness, and those important to them, not just at the end of life, but much earlier in their illness too.

You'll have the opportunity to:

- Meet members of our clinical, medical and supportive care teams
- Learn when and how to refer to services like our Inpatient Unit, Palliative Care Specialist Nurses and Day Services
- Take a first look at our newly refurbished Day Services space
- Join guided tours of our Inpatient Unit and gardens, running every half hour
- Ask questions, chat to our team and find out how we're working in partnership to support care closer to home

Whether you refer to us regularly or are just starting to explore what hospice care looks like in practice, we'd love to welcome you.

**Drop in at any time between 11am and 3pm. Refreshments and FREE onsite parking provided.**

[To help us plan for parking and refreshments, we'd be grateful if you could register your interest.](#)

**Location:** [Day Services, Ashgate Hospice, Ashgate Road, Old Brampton, Chesterfield, S42 7JD](#)
