

## **Derbyshire Learning Focus Group – participants needed**

Derbyshire Adult Community Education Service (DACES) provide learning experiences for residents in Derbyshire.

Whether interests are in qualifications or a learning experience to help support confidence and wellbeing, they have a variety of courses available. DACES are trying to find out if they can meet interests and needs for local people that they are not currently providing a service for, with a focus on 'Parents and carers, Health and Wellbeing, Employability, and Further learning', specifically in the **Barrow Hill/Loundsley Green/Birdholme/Whittington** areas of Chesterfield.

DACES are looking for community groups willing to take part in a focus group session to give DACES the opportunity to ask standardised questions and gather information about current or past learning experiences.

As a thank you each participant would be given a £20 Love to Shop.
