Subject: Building Bridges in the Community (BBiC) Making Connections Meeting  
Loneliness Together

Making Connections Meeting Loneliness Together  
Building Bridges in the Community (BBiC)

**Thursday 12th June 3.15-4.30pm**

**The Ragged School, Markham Road  
Chesterfield**

Hello All

I'm reaching out to invite you to join us for an informal get together, as Building Bridges in the Community celebrate our one-year anniversary.

We are grateful for your continued support and to celebrate this year's Marmalade Tust  
™ Lonliness Awareness Week-

(Making Connections Meeting Lonliness Together),

BBiC would like to invite you to pop in for a cuppa and cake.

A chance to visit us in our new home and catch up with each other in a relaxed atmosphere at the end of the day.

Rethinkmentalillness, Enjoyceramics Group and Mindscapes will be there with us and we hope that you will be able to join us for a special afternoon together. Pop in to say hi as you are passing by, or join us for a catch up and

[Suggested Donations £1.00].

This is not a formal event, but I would be grateful if you could give me some indication of your interest in joining us any time between 3-5pm.

A brief look around may also be an opportunity to bring along any potential referrals to BBiC , allowing individuals to see inside the building and engage with the community.

Once again thank you for supporting us on our journey and we look forward to seeing you all again soon

BW
