

Its Volunteers Week

What better way to appreciate your volunteers than nominate them for an award in The Voluntary Sector Awards 2025

Who do I nominate?

You know Tom, the guy who seems to have been with you for like, ever! Always has a smile on his face, never claims his expenses and yet turns up day in and day out? Wouldn't it be nice to recognise his years of loyalty and commitment with an award.

Volunteer of the Year or Long Service volunteer – both would fit him.

And then there's Grace, been on your Board of Directors from the beginning – in fact she interviewed you! Always there to support you, always makes life easier. Perhaps its time to put her forward for **Trustee of the Year**. She deserves it.
