

ForeverNotts™
Community Foundation for Nottinghamshire

JOB VACANCY

Change Lives Across Nottinghamshire

Lead Development Officer - Where Your Work Creates Ripple Effects of Good

Forever Notts – Community Foundation for Nottinghamshire
Part-Time (20 hrs/week) | £28,000 FTE (pro rata) | 2-Year Fixed Contract
Hybrid working - Mansfield office 1 day/week

 **Imagine this: Every relationship you build, every donor you inspire, every pound you raise directly transforms lives across Nottinghamshire.**

You won't just be fundraising – you'll be the catalyst that helps **hundreds of charities** tackle mental health crises, end homelessness, support disabilities, and fight food poverty. This isn't just a job with maximum feel-good factor – it's your chance to be the hero behind the heroes.

Your Mission (Should You Choose to Accept)

Transform raw potential into life-changing impact. Research new funding goldmines, charm donors into passionate advocates, and watch as your £50,000+ fundraising target becomes the fuel that powers incredible community transformations. You'll be the relationship wizard who turns strangers into champions of change.

The Perfect Candidate Has:

Sales/fundraising superpowers (you know how to move hearts and wallets)
Magnetic communication skills that work magic in person and online
Tech confidence with CRMs, social media, and Microsoft Office
Independent drive – you're a self-starting force of nature
Full driving licence and car (your chariot for community conquest)
A burning desire to see your work create waves of positive change

 **Ready to be the person who helps hundreds of Nottinghamshire charities not just survive, but THRIVE?**

This is your calling. This is where your talents become someone else's miracle.
