

Complete our Citizens' Survey and be in with a chance of winning a £50 voucher!

**Have your say on our council services and be in with the chance of winning!**

**WIN!**  
**£50**  
**in High Street vouchers!**

North East  
Derbyshire  
District Council

Last summer's Citizens' Survey attracted over 1,000 respondents and we are keen to get even more people to complete the survey this time around.

Your opinions matter! We want to hear your thoughts on:

- **Domestic Waste Collection** – How well does our current service meet your needs, and where can we improve?
- **Equality & Fairness** – Are you being treated fairly?
- **Use of AI** – What are your thoughts on AI in public services, and how do you think it will affect you?
- **Digital Strategy** - What are your views on our new strategy. Have we missed anything?
- **Internet Use & Access** – Help us shape future service delivery by sharing how you use the internet.

It's a varied, quick and easy survey, and by taking part you'll be in with a chance of winning a £50 voucher!

Comments we receive from our consultations help to shape our services for your benefit, so please spare a few minutes to take part.

Fill in the [survey online](#) or call us on 01246 231111 if you require it in a different format. The survey will run from 16 June 2025 - 6 July 2025.

**Complete the survey**
