

## The Voluntary Sector Awards

*"Final call! Nominations close at 4 PM this Monday, 28th July. Don't miss out – submit yours now!"*

***It's free to nominate someone for The Voluntary Sector Awards – and it could mean the world to them.***

*Each nomination takes just 250 words. Even if you nominated in every category, that's only 2,500 words – less than many funding bids that didn't pay off. Take five minutes. Make someone's day. Their smile could last a lifetime. Nominate now.*

### **Enthusiastic Young Volunteers Available!**

A group of friends, all under 16, are looking for meaningful volunteering opportunities this summer as part of a school project. They're full of ideas, energy, and a willingness to help!

If your organisation has any projects that could benefit from young volunteers—whether it's community clean-ups, creative projects, fundraising events, or simple hands-on tasks—they'd love to get involved.

The group is ready to bring their enthusiasm and teamwork to support a good cause.

Do you have a project they could help with?  
They would love to hear from you!

### **Got something to shout about?**

This year at The Voluntary Sector Awards, we're making space at the back of the auditorium for groups and organisations to set up a display. It's a great chance to put up a stand, hand out some leaflets, or just have a chat with people who want to know more about what you do.

Once the awards kick off, you can grab a seat and enjoy the event.

**Interested?** Drop Dave a message at [dave@chesterfieldvc.org.uk](mailto:dave@chesterfieldvc.org.uk) and we'll save you a spot!
