Hi all,

We are pleased to share with you 'Our Year 2024/25', a visual summary of Derbyshire Fire & Rescue Service's key achievements and performance data from the last financial year.

The infographic, which is attached to this email, highlights the dedication and impact of our teams across Derbyshire, showcasing the work we do to keep our communities safe.

To accompany the infographic, we are also launching a supporting video to Our Year — the story of 2024/25 told by our employees. This video, which brings to life the people behind the numbers, can be viewed [here](#).

For those who may require it, translated versions of the infographic are available to ensure accessibility for all members of our community. Please email our Communication and Engagement team to arrange this at: corporatecomms@derbys-fire.gov.uk
